Rabbit Vibrator by Better Love

Better Love Product FAQs

Rabbit Lily

How do I charge my Rabbit Lily?

You can charge your Rabbit Lily by piercing the silicone on the back of the device with the charger, slightly above the white handle. You'll notice a small circle on the silicone indicating where to insert the charger.

How long does it take to get a full charge on my product?

For a full charge, we recommend charging your product for 90 minutes.

How do I turn my Rabbit Lily on and off?

Press and hold the +/- button for 2-3 seconds.
